CITY OF CLE ELUM
NOTICE OF APPLICATION

Pursuant to CEMC 17.100.110, notice is hereby given that the City of Cle Elum did, on November 25, 2020, receive an application package from Vertical Bridge c/o Technology Associates EC Inc (Contact: Meghan Howey, 9725 3rd Ave NE, #410, Seattle, WA 98115, 253-682-8556) for the purpose of constructing a cellular tower on City owned property (200 S Pennsylvania Ave, Cle Elum, WA 98922, Parcel #303134) within the Industrial Zone. The application package was determined complete on December 23, 2020 and includes a State Environmental Policy Act (SEPA) checklist, and Site & Design Review, Floodplain, and Variance applications. Comments may be submitted through January 20, 2021 to the City Planner at 119 W First Street, Cle Elum, WA 98922 or by email at ltemple@cleelum.gov (509-674-2262). **The application and related documents may be examined online at <http://cityofcleelum.com/proposed-wireless-communication-facility-2020/>** This webpage will be updated throughout the permitting process and will include hearing dates, decision documents, and appeal information. A second public notice will be issued after the SEPA Threshold Determination is issued, which will include a second public comment period and an open record public hearing date to review and provide the community an opportunity to comment on the permit package.
