

City of Cle Elum Climate Element Open House

With the passage of [E2SHB 1181](#) during the 2023 Washington state legislative session, The City of Cle Elum is now required to add a Climate Element to its Comprehensive Plan. This means that the city will need to address the impacts of natural hazards such as drought, extreme temperatures, extreme precipitation, flooding, and wildfires in its Comprehensive Plan goals and policies. The legislation creates a new mandate that spans several elements in the comprehensive plan, such as transportation, land use, parks and recreation, capital facilities and utilities, environmental, and economic development.

SEPTEMBER 24, 2024

11:30AM – 1:00PM

UKC SENIOR CENTER

719 E 3RD ST

Learn more about the project at

<https://cleelum.gov/climate-commitment/> The City of Cle Elum is holding an open house meeting for the public to learn more about the Climate Element requirements and process.

Who should attend? This is an open-house meeting, and all are welcome.

The WA Department of Commerce climate planning grant is supported with funding from Washington's Climate Commitment Act. The CCA supports Washington's climate action efforts by putting cap-and-invest dollars to work reducing climate pollution, creating jobs, and improving public health. Information about the CCA is available at www.climate.wa.gov.
