**Lodging Tax Funds – General Information**

The City of Cle Elum imposes a lodging tax assessed on the sale or charge made for furnishings of lodging according to RCW 67.28.180 and RCW 67.28.181. The committees' purpose is to advise and recommend to the legislative authority of the city how excise taxes on lodging should be allocated to support tourism which in turn generates revenue.

**Uses According to Law:**

According to State Statute funds awarded under this process may be used for the following:

1. Tourism marketing;
2. The marketing and operations of special events and festivals designed to attract tourists;
3. Supporting the operations of tourism-related facilities owned or operated by nonprofit organizations described under 26 U.S.C. Sec. 501 (c) (3) and 26 U.S.C. Sec. 501 (c) (6) of the internal revenue code of 1986, as amended.

**Definitions included in state law which should be considered in any application requesting funding include:**

- (1) **Tourism** means economic activity resulting from tourists, which may include sales of overnight lodging, meals, tours, gifts, or souvenirs.
- (2) **Tourism promotion** means activities, operations, and expenditures designed to increase tourism, including but not limited to advertising, publicizing, or otherwise distributing information for the purpose of attracting and welcoming tourists; developing strategies to expand tourism; operating tourism promotion agencies; and funding marketing or the operation of special events and festivals designated to attract tourists.
- (3) **Tourism-related facility** means real or tangible personal property with a usable life of three or more years, or constructed with volunteer labor that is: (a) (i) Owned by a public entity; (ii) owned by a nonprofit organization described under section 501 (c) (3) of the federal internal revenue code of 1986, as amended; or (iii) owned by a nonprofit organization described under section 501 (c) (6) of the federal internal revenue code of 1986, as amended, a business organization, destination marketing organization, main street organization, lodging association, or chamber of commerce and (b) used to support tourism, performing arts, or to accommodate tourist activities.

**Review Process:**

The Committee will review grant applications and award lodging tax funds for special events and festivals.

The Committee will compile the score sheets, rankings, and funding recommendations for further consideration.

Scoring sheets which determine the overall ranking of applications are included in this packet for your reference and information.

**Local Policy on Disallowed Uses:**

The Committee has determined that certain types of activities are not eligible for funding awards even if they may be tourism related. These include anything affiliated with the following: prizes for contestants, resale items, food and drink, beautification, fundraising, and membership drives. This list should not be considered comprehensive and all funding recommendation decisions are at the discretion of the committees and subject to change by majority opinion.

**Application Definitions:**

Below is a list of terms and phrases which have specific meaning within this application. It may be helpful for you to review these as you prepare responses so that you have a better understanding of the reviewers' expectations.

**Date-specific** is an event or project which occurs over less than one month.

**Matching Funds** is the amount of funding your organization is contributing to the project or event. This includes both direct and indirect fund support. Direct funds can be in the form of cash funding from your organization or funding secured from elsewhere but dedicated to the project or event such as other grants, loans, donations, etc. Indirect funding support includes in-kind support like labor, volunteer support, supplies, and services which directly relate to the project or event, including those provided by your organization and others.

**New Projects/Events** are projects/events which are in the first four years of existence. For example, a proposal for a barbeque competition which is in its third year would be defined as a new project/event. Likewise, a project by an existing museum which expands its current offerings, or a specific new strategy for appealing to a different target market that is in its first year, would be considered a new project. Ongoing general marketing and advertising campaigns or general operational support requests for organizations/event which have existed for longer than four years are not defined as a new project/event.

**Ongoing Projects/Events** are defined as projects/events that have been established for more than four years. Applications that qualify under this definition may be awarded up to 10% of the project's/event's expense budget.

**Partnerships** are agreements between events/organizations/groups which enhance the overall project/event by providing additional value-added benefits or opportunities for attendees as well as the participating partners. For instance, as part of your event, you may have partnered with a local hotel or campground for a special group rate for overnight attendees. You may have also partnered with a local restaurant to provide a special meal discount or drink offer. You may have also agreed to refer your attendees to another event simultaneously occurring in another part of the county.

**Project Budget** is a written description of the complete budget for your project or event. It must include anticipated revenues, expenses, and any potential profit or loss.

**Seasonal** means a project or event which operates at least 1 month and up to 6 months, and during at least 2 seasons (Spring, Summer, Fall, Winter).

**Self-Sustaining** is being able to provide for your own needs without the assistance of grant funds.

**Supports County as a Tourism Destination** means including strategies within your proposal which will assist in attracting tourists to our County during times of the year other than for your project/event alone. This may include cross-promotion agreements with other projects/events, it may include active marketing of other projects/events at your project/event, it may include referring attendees directly to other tourist opportunities in Kittitas County, etc.

**Year-round** means a project or event is ongoing and actively working to attract tourists for at least 6 months, and at least 3 seasons (Spring, Summer, Fall, Winter).

In addition, any reports which are produced as a result of a grant award must be submitted within 60 days of completion as part of your project reporting requirements. This will provide evidence that the work paid for by the grant has been completed.

**Applicant Categories and Eligibility:**

Grants from lodging tax funds are provided for two types of applicants, New Projects/Events and Ongoing Event Support. An organization may only apply for funding from one category per year. The categories are defined as follows:

The **New Project/Events** category is for applications from events/projects which are within the first three years of existence. Applications may be considered in this category from established events (older than four years) which are proposing a new or expanded project designed to increase tourism as part of an ongoing event.

The **Ongoing Project/Event Support** category is for applications from established events (ongoing for more than four years) which may request continuing support. Grant awards are limited in this category to no greater than 10% of the event's expense budget. This category includes project/events which may be operating under a new board or organization, moving venues, changing dates, or implementing other non-substantial changes to a project/event which is ongoing for more than four years.
