If you reside in the City Limits of Cle Elum, you are required to purchase a dog license for any dog over the age of 3 months each year per Cle Elum Municipal Code 6.04.020. These licenses expire each year on 12/31 and new ones are issued again in January

If you live in Roslyn or South Cle Elum, you can purchase your license at your City Hall. Pet owners outside of City Limits are not required to purchase licenses, but for the safety of your pet, we recommend having a name tag with the pet's name, your name and phone number and possibly an address.
