Hi Virgil,

This review is in response to the request for comment on the Notice of Application of Environmental Review for the Teanaway Court undertaking, file numbers CL3-2025-001, SDR-2025-004, SEP-2025-002.

As also noted in the Cultural Resource Survey prepared by RLR Cultural Resources, LLC, the proposed project lies within the traditional territory of the šnp'əšqwáw səxw (people in between) or Wenatchi, one of the twelve tribes that makes up the Confederated Tribes of the Colville Reservation (CTCR), which is governed by the Colville Business Council (CBC). The CBC has delegated to the Tribal Historic Preservation Officer (THPO) the responsibility of representing the CTCR with regard to cultural resources management issues throughout the traditional territories of all of the constituent tribes under Resolution 1996-29. This area includes parts of eastern Washington, northeastern Oregon, the Palus territory in Idaho, and south-central British Columbia (see attached map).

Based on our review of the proposed undertaking, including of supporting documentation provided alongside the notice of application and the CR report produced by RLR Cultural Resources, LLC, as well as of State and Tribal sensitivity maps documenting the known occurrences of pre-contact, ethnographic, historic, and/or religious sites, **we concur with the level of effort to identify historic properties and the impact analysis, and concur with the determination of no adverse effects to historic or cultural properties.**

Thank you for submitting this project for compliance review with the Confederated Tribes of the Colville Reservation. These comments are based on information as currently presented, and we do reserve the right to revise our comments if additional information becomes available. If you have any questions, please do not hesitate to reach out to me at this email or the numbers listed below.
